GIVING CIRCLES

POOLING RESOURCES FOR A GREATER GOOD

Giving Circles allow a group of like-minded donors to pool their resources in order to make high impact grants to organizations working in fields they care most about. Brooklyn Community Foundation hosts Giving Circles for groups of five or more donors whose collective vision aligns with that of the Foundation. An initial contribution of at least \$25,000 is required to establish a Giving Circle at the Foundation and funds may be invested to grow tax free. The Foundation collects and acknowledges all donations to Giving Circles, offers guidance on prospective grantees, completes all required vetting of recipient organizations, and handles grant distribution. Due to the high volume of activity associated with Giving Circles, a 5% fee on all incoming donations is assessed by the Foundation.
